BETHEL ADEKOGBE

Boston, MA | thedkob@gmail.com | (470) 564-4431 | betheladekogbe.github.io

PROFESSIONAL SUMMARY

Multimedia production leader experienced in developing instructional media, training students and production teams, and delivering digital content across educational, healthcare, nonprofit, and live-event settings. Combines creative direction and hands-on production expertise with collaborative project management, technical problem-solving, and learner-centered communication.

CORE COMPETENCIES

Educational Media & Training • Multimedia Content Development • Team Leadership & Coaching • Creative Direction • Video Production & Editing • Digital Storytelling • Cross-functional Coordination • Livestream & Hybrid AV

PROFESSIONAL EXPERIENCE

Pentecostal Tabernacle | Cambridge, MA

Interim Director of Media & Production Lead • Jan 2024 – Oct 2026

- Led and coordinated a production team for weekly services, conferences, and special events, assigning responsibilities and aligning volunteers, schedules, creative teams, and technical delivery.
- Trained and onboarded production team members through a four-service, hands-on volunteer onboarding program, pairing new team members with experienced operators in camera, switching, and live production.
- Conceptualized, scripted, and directed an eight-part video series with a six-person crew; completed filming in one day and post-production in one week, generating 27,500+ combined YouTube and Instagram views within four weeks.
- Produced digital video and promotional content while coordinating filming logistics, talent, equipment needs, and cross-department communication.

Red Thread | Boston, MA

Onsite AV Technician • Jan 2024 – Present

- Support live and hybrid meetings across Microsoft Teams, Zoom, Webex, and Google Meet, troubleshooting room AV systems and resolving end-user technical issues.
- Maintain reliable conference-room technology through preventative checks, equipment tracking, support documentation, and user guidance.
- Support AV and furniture installations by checking setups, troubleshooting issues within scope, and coordinating with technicians when repairs or additional support are needed.

Encore Global | Boston, MA

Event Technical Supervisor & AV Technical Lead • Sep 2022 – Oct 2023

- Supervised technical production crews and on-site operations for live events, coordinating audio, video, staging, equipment, and freelance contributors.
- Delivered hands-on technical training and resolved time-sensitive AV issues while aligning production execution with client and venue requirements.

JCCI Glory Tabernacle | Powder Springs, GA

Media Lead • Aug 2020 – Aug 2022

- Led camera crews and coordinated livestream video and audio production for recurring services; collaborated with photographers and videographers on recorded content.

Roxbury Tenants of Harvard | Roxbury, MA

Health Education & Wellness Intern • Jun 2020 – Aug 2020

- Designed and facilitated weekly educational workshops for high school students on health, media literacy, career readiness, and self-care.
- Created instructional presentations and infographics to help young learners engage with complex topics through accessible visual communication.

Tufts Medical Center | Boston, MA

Human Resources Coordinator • Jun 2019 – Jan 2020

- Collaborated with subject matter experts to create compliance training through storyboards, scripts, narration, video, graphics, animation, and interactive simulations.
- Translated complex healthcare policies and training requirements into clear, engaging multimedia learning materials.

Brandeis University, Sound and Image Media Studios | Waltham, MA

Student Support Specialist • Aug 2018 – May 2020

- Coached students and community members in video, audio, photography, graphic design, and animation through individual instruction and consultations.
- Provided walk-in troubleshooting and project support, guiding users through technical issues and helping learners develop technical skills and complete creative media work.

Proper Bantah (Brandeis University) | Waltham, MA

Technical Director • Oct 2018 – Jan 2020

- Created videos, infographics, animations, and promotional media highlighting underrepresented communities; directed studio camera work and supported audio production.
- Produced music and video promotions for two seasons, contributing to narrative-driven digital storytelling.

EDUCATION

Brandeis University | Waltham, MA | Bachelor of Arts, Health: Science, Society, and Policy | 2020
